Sameen Singh Charitable Society (Regd.)

Sameen Singh Charitable Society named after our beloved (Dr.) Sameen Singh tries each day to live his dreams, and live every bit of it and to carry on the tradition of excellence and commitment. Very rare a person is born who excels in every aspect of his life, a person who does not look at sky as the limit but his visions are beyond it. A person who shines as bright as stars and makes everyone around him feel enlightened. Such was the charismatic aura of Sameen Singh.

(Dr.) Sameen Singh

A national level chess player who was the 5 times CBSE NORTH ZONE II champion from 2005 to 2009 and twice position holder at NATIONAL LEVEL. This record stands unbeaten till today. Along with playing chess he was equally incredible in studies. A feat that is not usually tasted by many. He always stood among the top 3 students in his class since the kindergarten and the happiness and pride knew no limits when he secured 89th rank at ALL INDIA PRE-MEDICAL TEST. In the times when the level of competition was at its peak and when students struggled to get admission in reputed colleges and universities for higher education, he not only cleared AI PMT with flying colours but also secured 27th rank at PUNJAB PRE-MEDICAL TEST (PMT), got selected at Armed forces medical college (AFMC), Kasturba medical college, Mangalore (MANIPAL) and cleared the screening tests of Christian medical college (CMC), Banaras Hindu university (BHU) and JIPMER, Pondicherry. Having made his parents, friends, and loved ones feel ecstatic and proud by his extra-ordinary and remarkable achievement, he joined Vardhamaan Mahavir Medical College and Safdarjang hospital (VMMC), New Delhi for pursuing MBBS. Everything was going smooth and life was a dream come true. Living on the bed of roses was what most people referred him by. BUT None actually knew that this bed would turn into thorns and make everyone associated with him bleed. On the dark day of 22nd of march 2014, destiny proved that most dreams don't come true! Sameen met a fatal accident near Delhi NCR and after struggling with life and fighting with all the vigour and dedication as he always did, lost by the hands of death. 7th of April 2014 marked the end of an era and took the life away not only from him but from all the people deeply associated with him. The loss was an irreparable and unbearable one, the dreams and aspirations died, whatever left was his memories, his tales and his anecdotes.

Often it's the pain that gives a new cause, having accepted the loss and the trauma it brought with it, We, the parents and friends pledged to not make his name get wiped away and covered with the monotonous layers of times. Thus, the charitable society carrying his name was born. We at Sameen Singh Charitable Society are in a continuous endeavour to spread his name in a cause that no one shall or no one could ever forget. Its the body that dies but soul remains. We know he's keeping a vivid eye on us and our actions, and we promise to make his watch worthwhile. You shall live and live till eternity...
