MESSAGE

SHRI AJAY PATEL
(President, Asian Zone 3.1.7 of FIDE)

A diverse take in terms of what you can expect from a unique tournament venue, the Science City in Ahmedabad offers educational entertainment for the whole family. It was established by the government to introduce the young minds to space and cosmology, to have a talk with the dinosaurs, and a whole lot more. The many attractions in the Science City include 3D documentaries on space and the oceans which are shown on IMAX screens. You can also take a unique ride to get the authentic experience of what an earthquake feels like, and the immediate measures that you must follow to cope with such natural calamities.

The Aquatics gallery, India's largest public aquarium with state-of-the-art life support systems is designed and curated to give a memorable journey of the underwater world.

Newly added feather to the Gujarat science city is the Robotics Gallery. The Robotics Gallery is developed as an interactive gallery showcasing the frontiers of robotic technologies over an area of more than 11000 sq.mt. and which would provide a platform for the visitors to explore the ever-advancing field of robotics. A dedicated VR zone will take the visitors into the world of augmented and virtual reality. The journey at the gallery doesn't end without visiting the Robo café where you can relish food made by robotic chefs and served by Robo waiters.

The Science City Ahmedabad, our tournament venue is within proximity to the Ahmedabad airport as well as the Ahmedabad Junction.

Even the 3D shows are supremely enjoyable affairs. All in all, the experience of spending a day at Science City Ahmedabad is as wholesome as they come. And for that reason alone, you must take out the time for your valuable kids to make this place a part of your unforgettable lifetime memory during your visit to Ahmedabad for National U-7 Chess Championship.

All in all, the Science City is one of the best places to visit in Ahmedabad purely on the basis of the learning and ingenuity that it offers to a diverse array of players as well as parents.

I take this opportunity to extend a warm welcome to all the players, officials, organizers and volunteers to Science City Ahmedabad and with them all the best.
