

Chess is played every day around the world and brings people of different cultures and backgrounds together. Since the Covid-19 pandemic hit the world every sporting activity has been affected, however, chess has overcome this difficulty, and even seen an increase in popularity.

Over the years the All India Chess Federation (“AICF”) has undertaken several projects and national championships for the development and growth of chess, including those at the grassroots level, such as the Chess in School, Chess for Everyone, and Smart Girl Chess Events, as well as holding coaching camps in rural and tribal areas, etc.

In order to take its efforts further, AICF invites collaborators for grass root level development of Chess PAN INDIA on revenue sharing basis. Interested parties may send their proposals to ALL INDIA CHESS FEDERATION, Hall No. 70, Jawahar Lal Nehru Stadium, Periamet, Chennai-600003, Tamil Nadu. Email: indianchessfed@gmail.com.
